## Form 104

# UGMA/UTMA Account Agreement

### ABOUT THIS FORM

- Use this form to establish a new Uniform Gifts to Minors Act/Uniform Transfers to Minors Act (UGMA/UTMA) account with my529. An UGMA/UTMA account may not be opened online.
- A customized investment option may only be selected and established online at my529.org. Call my529 toll-free at 800.418.2551 to find out how you can set up a customized investment option for an UGMA/UTMA account.

### NEXT STEPS

- **Read the my529 Program Description carefully. It contains important information that you should know before enrolling in my529.**

### SUBMITTING THIS FORM

- Please print clearly—preferably in capital letters, using black or blue ink.
- To ask questions about completing this form, contact my529 toll-free at 800.418.2551 on business days from 7 a.m. to 5 p.m. MT.

For delivery by overnight carrier, send to: my529, Utah Board of Higher Education Building, Gateway 2, 60 South 400 West, Salt Lake City, UT 84101-1284. You may also fax this form to 800.214.2956.

## 1 Account Type

By completing and submitting this form, you will establish an UGMA/UTMA 529 Account—an account that may be funded with liquidated funds from an existing UGMA/UTMA account. It can only be opened by submitting the UGMA/UTMA Account Agreement (Form 104).

Special rules govern my529 UGMA/UTMA accounts and can be found throughout the Program Description. An UGMA/UTMA account may be opened only if all of the conditions for UGMA/UTMA accounts apply, including:

- An UGMA/UTMA account is an account that may be funded with liquidated funds previously gifted under the Uniform Gifts to Minors Act/Uniform Transfers to Minors Act. Custodians should discuss any potential tax consequences of liquidating an UGMA/UTMA account with their tax advisors before liquidating and transferring this money to my529.
- An UGMA/UTMA account must be established separately from any other accounts that the UGMA/UTMA account agent may hold for the beneficiary at my529. Contributions of money not intended to be subject to the specific restrictions on UGMA/UTMA accounts should be made to a separate, non-UGMA/UTMA my529 account (i.e., an individual or institutional account).
- The money in an UGMA/UTMA account is an irrevocable and permanent gift to the minor beneficiary. This means that the UGMA/UTMA account agent cannot change the beneficiary on this account or make account withdrawals other than for the benefit of the beneficiary.
- Once contributions are made to an UGMA/UTMA account, the entire account is subject to custodial account and UGMA/UTMA rules, regardless of the source of the contributions. my529 is not responsible for any consequences related to the custodian's improper use, transfer, or characterization of custodial money.

To open an individual or institutional account, submit an Individual Account Agreement (Form 100) or Institutional Account Agreement (Form 102). For complete definitions and descriptions, see the Program Description.

## 2 UGMA/UTMA Account Agent

Complete this section to name an account agent for the UGMA/UTMA account.

- The UGMA/UTMA account agent is the person who manages the UGMA/UTMA account in the best interest of the beneficiary until the beneficiary reaches the age of majority in the state in which the money was originally gifted under UGMA/UTMA.
- **The UGMA/UTMA account agent must be age 18 or older, and have a valid U.S. Social Security or Taxpayer Identification Number.**
- The UGMA/UTMA account agent is not required to be the custodian of any former UGMA/UTMA account.
- The UGMA/UTMA account agent must submit an Account Owner/Agent Change form (Form 505) for the beneficiary to assume responsibility for the account at the time the beneficiary reaches the age of majority. (The account type will be changed from UGMA/UTMA to individual, and the account agent will no longer have any authority over the account.)
- An UGMA/UTMA account may not list a successor account owner because the account money is a permanent gift to the beneficiary. If the beneficiary of an UGMA/UTMA account dies, the account money will become part of the estate of that beneficiary.

## 4 Investment Option

Complete this section to indicate how contributions to your account should be invested.

- You can invest your contributions in a Enrollment Date, Static, or Customized option, but you may choose only one investment option per account.
- **If no investment option is selected on this form, all account money will be invested in the FDIC-Insured investment option.**
- Investment options are described in detail in the *Investment Information* section of the Program Description. Please read the Program Description before selecting an investment option.
- All future contributions will be invested in the investment option you select below, unless you change your investment option at a later date.
- IRS 529 rules allow for two investment option changes per beneficiary per calendar year.
- Please consider your investment time horizon before selecting an investment option.

Select ONE investment option from those listed below:

### Enrollment Date Investment Options

*Enrollment Date options take into consideration the target year the account beneficiary will begin taking withdrawals to pay for education expenses. Over time, the options gradually shift to a more conservative investment allocation as the target enrollment year draws closer. Investment allocations automatically adjust over time based on a preset quarterly allocation schedule.*

Enrollment Date	<input type="checkbox"/> Target Enrollment 2040/2041
	<input type="checkbox"/> Target Enrollment 2038/2039
	<input type="checkbox"/> Target Enrollment 2036/2037
	<input type="checkbox"/> Target Enrollment 2034/2035
	<input type="checkbox"/> Target Enrollment 2032/2033
	<input type="checkbox"/> Target Enrollment 2030/2031

	<input type="checkbox"/> Target Enrollment 2020/2021

### Static Investment Options

*In the Static options, money remains in the same investment allocation without changing over time. The target allocation remains the same until you decide to change to a different investment option.*

Static	<input type="checkbox"/> Total US Stock Market
	<input type="checkbox"/> Global Equity 90/10 US & International
	<input type="checkbox"/> Global Equity 70/30 US & International

OR

To select a customized investment option, attach a completed Customized Investment Option Calculator available at [my529.org](http://my529.org).

### Customized Investment Options

*In the customized investment options, you take the full responsibility to determine the asset allocations, which can consist of any combination of offered funds.*

*Please read the my529 Program Description for more information about the customized investment options.*

Customized

**Customized Age-Based**—The Customized Age-Based investment option is offered for the account owner who wants to design an investment glide path from the available underlying funds that automatically reallocates as the beneficiary ages.

**Customized Static**—The Customized Static investment option is offered for the account owner who wants to design an allocation from the available underlying funds that remain in the chosen allocation regardless of the beneficiary's age.

- An UGMA/UTMA account may be funded with liquidated funds from an existing UGMA or UTMA account.
- An UGMA/UTMA account may **not** be funded with payroll contributions or electronic bill pay. Please open a separate individual or institutional my529 account to receive payroll contributions or electronic bill pay.
- my529 is not liable for any consequences related to a custodian's improper use, transfer, or characterization of UGMA/UTMA funds.
- The forms mentioned below are available online at my529.org or by calling toll-free at 800.418.2551.

- Direct Rollover.** Complete and enclose my529's Incoming Direct Rollover form (Form 210).
- Indirect Rollover.** \$ \_\_\_\_\_ . \_\_\_\_\_ If you have already liquidated funds from another 529 plan, you must enclose a check and a statement or other documentation from the 529 program manager showing the principal and earnings portions of the rollover. If you do not provide this documentation, the full amount of the rollover will be considered earnings in computing the earnings portion of any subsequent withdrawal from the account, which could result in adverse tax consequences if you take a nonqualified withdrawal from your account.
- UGMA/UTMA Funds.** \$ \_\_\_\_\_ . \_\_\_\_\_ If you are funding the account with the proceeds from the sale of funds held in a custodial account that was established under an UGMA/UTMA for the benefit of the beneficiary/account owner named in section 3 of this Agreement, please provide documentation that indicates the funds are UGMA/UTMA.
